Feb 17th 1902

My dear Colonel,

Order of Government No 3381-82 Ed 90 dated 13th September 1897 - of which I enclose a copy for reference and kind return - contains the rules sanctioned by H H the Maharani-Regent for the award of scholarships to certain boys of the late Royal School. It is promised therein that in the case of any student who tops the list his scholarship may be raised, at the pleasure of Her Highness the Maharani-Regent.

One of the boys specified, viz, S Shamanna, has not furnished a case for the application of this clause, having passed first in the first class for the Madras Presidency, a distinction which throws some credit on the late Royal School, and I shall be much obliged if you will bring the circumstance to the notice of Her Highness and obtain her gracious approval for raising the scholarship of S Shamanna from Rs 12/- to Rs 15/-

This approval when obtained will be forwarded to the Educational Department for the necessary action.

Yours sincerely,
(sd) S J Fraser
